Monday, September 15 at Stonewall Golf Club

15601 Turtle Point Drive, Gainesville, VA

We are pleased to invite you to the NWFCU Foundation's **10th Annual Drive for the Driven Golf Tournament**. We are looking forward to returning to the Tom Jackson designed Stonewall Golf Club along the shores of Lake Manassas to offer a heightened experience for participants.

Since 2015, the Northwest community has convened annually at the Drive for the Driven Golf Tournament to raise funds to further the **Foundation's mission—empowering youth to achieve their goals by supporting their health, well-being and education**. This includes the NWFCU Foundation's Aspire Higher Program, providing over \$2 million in scholarship support to over 400 young scholars in achieving their dreams of attending college. With your tournament sponsorship, the NW Foundation will reach even more youth in need of everyday essentials, financial education, scholarship support, and mentoring.

SECURE YOUR SPONSORSHIP OR FOURSOME TODAY!

Golf Foursomes are available for \$1,000: Benefits include golf and carts for four participants, hot breakfast and lunch, golfer swag bag, unlimited beer, wine and nonalcoholic beverages, and hotdogs and snacks on the course.
